

Dear Community Business leaders,

Newberg Ambush is a non-profit organization dedicated to developing skilled fastpitch softball players, teammates and young adults. Our mission & goals for softball in Newberg is to strengthen & provide opportunities for girls to grow as a softball player from 10 years old to college bound, gaining sports scholarships through competitive tournament play - all while building life-long friendships along the way.

We will be holding an Auction/Raffle, to raise funds for uniforms, gear and tournament expenses. We are asking for any donations that could be used as a prize or auction item. We are a Registered Non-Profit 509(a)(2) for your tax deduction considerations. EIN #47-1842500.

We appreciate donations of any value. Your generous contribution will help our Newberg Ambush teams continue on their path of excellence. Our goal is for families in all financial brackets to be able to play, based on integrity, ambition, and determination, not dollars. If you would like to consider becoming a sponsor for our program, please visit <http://www.newbergambushsoftball.org> or send us an email at newbergambushsoftball@gmail.com.

Thank you,

Joseph Harris - Donation Coordinator
